

Dear colleagues in United Neuroscience Campus,

MultiPark is planning for a two days retreat at [Elite Hotel Ideon](#) in Lund, Sweden, November 28-29th 2023. MultiPark is happy to invite members of the United Neuroscience Campus to participate in the retreat! There are room for 150 participants, whereof 20 seats will be reserved for participants from CTNR at Rostock University. The retreat targets both senior and junior scientists and will include scientific presentations, poster exhibitions and time for interaction. One out of three of the longer presentation slots will be reserved for a researcher from CTNR. Postdocs and PhD students from both Lund and Rostock are invited to submit a poster of their projects and are encouraged to present their poster in a short oral presentation during a data blitz-session.

The official language of the retreat will be English. All participants pay for their travel costs. MultiPark will cover costs for rooms at Elite Hotel Ideon from November 27-29th and for food during the retreat (November 28-29th) for participants from Rostock University.
