CTNR News & Announcements

Member Area

CTNR members will now have access to a member's area on the CTNR website: www.neurozentrum-rostock.de. After login with an individual account CTNR logo, slides and reports will be downloadable. Members will soon get information about their individual login details via mail.

CTNR Lectures of Excellence starts successfully with Nobel laureate Prof. Nüsslein-Volhard

On 20th March 2019, the newly initiated CTNR "Lectures of Excellence: Pioneers in Neurosciences" took place for the first time. The Nobel laureate Prof. Nüsslein-Volhard gave a very demonstrative lecture on "The stripes of Zebrafish: Development and evolution of biological aesthetics". About 200 participants visited the lecture in the Aula of the Universities main building and used the opportunity to get in close contact with the excellent scientist.

Job Offer

The CTNR is looking for a **student assistant** for the support of the development and implementation of the CTNR Masters Course "Translational Neurosciences" and the organisation of CTNR events. **Application information.** (Deadline: open)

Neuro Clinician Scientist

The CTNR offers **Clinician Scientist** positions in the Neurosciences for the research protected time of two years within the specialist/subspecialist training time to conduct a theoretical research project. The program consists of an individual clinical, scientific and soft skill educational curriculum under the umbrella of the Rostock Academy for Clinician Scientists (RACS). **Application information.**
