CTNR News

CTNR Events

Due to the current situation all timely CTNR events (Lecture of Excellence, lecture series) are cancelled and postponed. Current information can be found on www.neurozentrum-rostock.de

DFG Responds to Spread of Coronavirus

For the time being, no review meetings will take place with the participation of individuals from the countries that are currently worst affected: China, South Korea, Japan, Iran and Italy. Researchers participating in DFG-funded projects, review processes or other funding-related processes are requested to direct any questions to the appropriate contact persons at the DFG Head Office.

More information.

Horizon 2020 calls

Reacting to the Covid-19 crisis, **deadlines for** calls under Horizon 2020 Societal Challenge 1 (Health section) are extended by initial **two months**, to allow medical professionals to focus on their fight against the Coronavirus and to leave more time for preparing their applications.

More information.

Other funding bodies and Coronavirus

More information (overview on the website of the University of Rostock).
